

A close-up photograph of a vibrant green leaf, likely from a grass or similar plant, covered in numerous clear water droplets. The droplets are of various sizes and are scattered across the surface of the leaf, which shows clear vein patterns. The background is a soft, out-of-focus green, suggesting a natural outdoor setting.

Equality and Diversity

### Overview

Implementing an Equality and Diversity programme to ensure you are not only managing against legislation, but valuing diversity within your workforce is a primary challenge within today's businesses. Organisations in which diversity is valued and employees feel comfortable in expressing their differences, can benefit in a variety of ways.

This course is aimed at giving managers and employees at all levels an understanding of the key issues and individual responsibilities in promoting a positive approach to equal opportunities and diversity.

### Key benefits of the course

- Creates awareness that diversity includes everyone in the organisation
- Highlights the advantages of Equality & Diversity to an organisation and its impact on the business
- Increases understanding of how Equality & Diversity is essential to reducing any risk of legal challenges
- Raises awareness of individual prejudices and judgements and the impact this can have on others
- Creates confidence in handling diversity issues
- Highlights the importance of recognising and responding to inappropriate behaviour
- Focuses on creating a positive working environment
